## **Governor Baker Releases Statement On Senate Ethics Report Regarding Senator Rosenberg**

**BOSTON** – Governor Charlie Baker released the following statement regarding the Senate Committee on Ethics report:

“The Senate's ethics report reveals a deeply disturbing pattern of behavior, making it clear that Senator Rosenberg has compromised the business of the Chamber and trust of his constituents. For the good of the institution and those who elected him to serve, I believe the Senator needs to resign immediately. My thoughts remain with the victims and I commend them for their bravery.”
